# ABOUT

## MORE THAN 15 YEARS OF PASSION FOR COMMERCIAL CATERING

Our Company commenced business in 2003 in commercial catering category on manufacturing of fry baskets and wire shelves which named BaiLing.

With the company's diversified development, in 2007, a new company was formed Bestware, which specializes in manufacturing commercial kitchen and catering equipment accessories, such as fryer basket, pasta basket, commercial pre-rinse faucet, kitchen sink faucet, wire rack, whisk, etc. Moreover, we can customize related products base on customer's requirements.

Bestware Hardware Production Co., Ltd. is an enterprise integrating research, design, development, production, sale, service and combining domestic & foreign trade. Dedicated to strict quality control and thoughtful customer service, our experienced staff members are always available to discuss your requirements and ensure full customer satisfaction. Therefore, we win support and trust from our customers around the world. Our company will always hold the principle of "There is nothing best but better" and insist in technical research and product development to provide practical, convenient, reliable, innovative & professional products and good services to all our customer.

**Thanks for your consistent support. Expect your most satisfaction.**
